HAYAN
KHAN

FRONT-END WEB DEVELOPER

Hi, I'm Hayan, a passionate junior front-end web developer with a strong foundation in HTML, CSS, JavaScript, and React. Currently pursuing a Bachelor's degree in Computer Science at Pak-Austria Fachhochschule Institute of Applied Sciences and Technology. I'm dedicated to creating visually stunning and user-friendly web experiences. Eager to learn, grow, and contribute to innovative projects in the ever-evolving world of web development.
